

The APICS in-house education program allows your company to educate up to 25 employees at the discounted member rate. A qualified APICS instructor, experienced with adult learning methods and practical content, will bring a course designed to meet your needs to the location of your choice.

This program:

- Eliminates travel and lodging costs, and reduces time away from the job
- Increases productivity by ensuring uniform instruction for key personnel, and
- Offers customized instruction to fit an organization's needs

Company Benefits:

- Enjoy a skilled workforce that is better prepared, more knowledgeable, more capable, more productive, and able to contribute to a successful bottom line
- Validate the knowledge and skill set of their employees leading to productivity improvement in the workplace
- Achieve competitive advantage in the marketplace through a highly trained, confident, and productive workforce.

APICS North Texas Chapter offers on-site training in a variety of formats. Classes can be scheduled during work or after hours, on weekends or weekdays. Students enjoy the co-worker involvement plus students can work with each other on course teachings.

In addition to our highly renowned CPIM, CLTD, and CSCP Certification Programs, we now can customize/tailor specific topics to your company's needs!
